To: The Children in  
Osnovna Šola Gorje

---

The Queen wishes me to write and thank you for your letter, and for the little pictures which you made especially for Her Majesty to see.

The Queen thought it so kind of you to write to her, and much appreciated your message of congratulations on the wedding of The Duke and Duchess of Sussex, and the birth of Prince Louis of Cambridge.

I am to send Her Majesty's good wishes to you all for the future, and The Queen hopes you will understand that, owing to the overwhelming number of letters received in recent months, it has not been possible to reply to yours until now.
